

# 14<sup>th</sup> ANNUAL NAWIC GOLF CLASSIC

*NAWIC Esther Weiloch Ventola Scholarship Fund*

Dear Friends:

The Greater Worcester Chapter #241, Inc. of the National Association of Women in Construction is having its 14<sup>th</sup> Annual Golf Classic to benefit the *Esther Weiloch Ventola Scholarship Fund*, and other related charities.

**NAWIC** is the National Association of Women in Construction, an International Non-profit Corporation, composed of women, employed in various construction related fields. Since its inception in 1955, **NAWIC** has advanced the causes of all women in construction from tradeswomen to business owners.

Since its founding, the **NAWIC** Founder's Scholarship Foundation, and **NAWIC** Chapters nationwide, have awarded more than \$4 million in scholarships to students pursuing construction-related studies.

*The Esther Weiloch Ventola Scholarship* was established in 2008 in her honor for the many years of dedication and commitment to **NAWIC** and to ensure that all women wishing to enter the construction industry field are given a helping hand when needed.

Due to the overwhelming success of the last three years, we have decided once again to hold the tournament at the prestigious **Blackstone National Golf Club**, on **Monday, June 13<sup>th</sup> 2011**.

We would be honored if you could join us, have a day of fun and contribute to helping young people to advance themselves in the construction field.

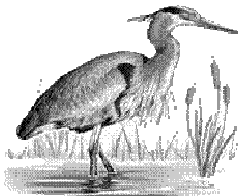

Donations will be gratefully received for raffle prizes, these may include, tickets to local sporting events, electronic items, tools, gift certificates etc. All of these items would be raffled and the proceeds of such will benefit local charities.

If you are interested in this event, please mark your calendar and return the enclosed response. We look forward to your support and a fun filled day with colleagues and friends.

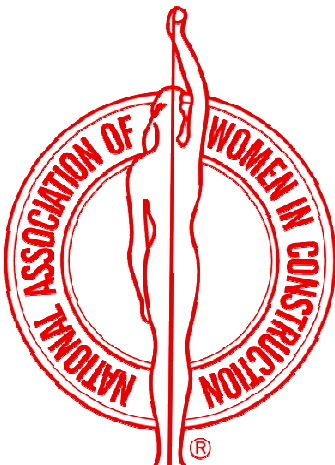

Sincerely,

**Wendy Harvey**
